## Our Mission Statement

The Scleral Lens Education Society (SLS) teaches contact lens practitioners the science and art of prescribing scleral lenses.

The SLS supports public education that highlights the benefits and availability of scleral lenses.

## Fellowship Application:

To initiate the application process, please email your intent to pursue fellowship, your plan to achieve 60 points, proof of application fee, as well as all submissions to the Fellowship Chair:

## Fellowship Requirements

Optometrists, ophthalmologists, and Fellows of the Contact Lens Society of America (FCLSA) who have proven themselves in the field of scleral lenses can apply.

Candidates must pay an application fee and take no more than three years from the date of application to complete the Fellowship process.

The candidate must obtain a total of 60 points. 20 of the 60 points must be from case report submissions. The remaining 40 points can be obtained from any combination of the items on the point table.

Candidates may resubmit revised reports only two times. After the second submission, if the report is still not deemed satisfactory the candidate will need to submit a different report.
